Treasurer's report:
business checking: \$8236.79
savings: \$7501.67
house fund: \$17,449.77
pay pal: \$100.

Morris has upgraded Quickbooks from the 2014 to 2017 version. He always backup Quickbooks.

Susila Dharma report:

1. We will be doing another matching fund for SDUSA at the SUSA gathering in Maryland over the 4th of July weekend. The Sacramento group will contribute \$1000. We are aiming at \$5000 for our starter. We may decide to hold back \$1000 in reserve for next year, depending on the final tally.
2. If anyone is interested in serving on the SD board, please do local testing in May and let Marilyn know the outcome. It is a great chance to shape the direction in which SD will develop.

Nirel's rental report:

Although May is going to be a quiet month for rentals, it has been a good quarter. We must schedule time in the rental schedule for roofing next spring into summer.

Nirel is updating YELP! Subudportland.org is in a holding pattern until what we want to say about "Subud in the community" is more firm. An ad hoc committee should be formed to discuss this.

The walls in the women's latihan hall seem to be stable, which indicates that the roof is holding. Latham will keep up with measuring the walls.

Raphael met with the house painter and he is set to go when the weather is more cooperative.

The basement is getting chaotic and messy again and needs to be cleaned out. Leana will consult with Marius about getting rid of left over building supplies. We may need to call for a Saturday work party to help the process.

Nirel would like to start a small vegetable garden on the west side of the house. Anyone interested should get in touch with her very soon.

It has been suggested that we form a Subud book club. We would meet every 4 to 6 weeks to discuss a selected book. Let Camille or Leana know if your are interested.

Latham moved to adjourn the meeting. It was seconded.
